ABOUT US

MM Dlambili Holdings is a proudly 100% black-owned, youth owned and managed company, dedicated to economic empowerment and fostering inclusive growth. As a dynamic small to medium-sized enterprise, we operate across diverse sectors including project management, architecture, engineering, mining services, general building, civil works, fencing, landscaping, and horticulture maintenance.

Our commitment to excellence and inclusivity is evident in every project we undertake, ensuring outstanding results while contributing to the development and upliftment of our community.

Our roots are deeply embedded in a commitment to fostering economic empowerment, and as a fast growing enterprise, we actively contribute to a variety of sectors. Our journey is defined by a passion for excellence, innovation, and inclusivity.

MM Dlambili Holdings (PTY) LTD is not just a company; it's a force for positive change, driven by a belief in the power of diversity and economic upliftment.

VISION & MISSION

“ VISION

To always be the best rated company worldwide in delivering good services, excelling in all fields that cover and provide the best professional service regardless of project size or profitability.

“ MISSION

Our mission is to provide opportunities for highly qualified professionals to apply their expertise towards the development and service of society with the highest levels of professional integrity and commitment.

We are dedicated to providing job opportunities to unskilled individuals, offering them training to help them realize their dreams and improve their lives.

BUSINESS STANDARDS

Safety

The safety of our employees, the environment and the public at large is our concern. We ensure that all safety compliance is in place to execute projects successfully.

Reliability

We Commit to our clients and follow up thereby enforcing consistent excellence support and customer service. We are also quick and responsive in business dealings within and outside the organization.

Accountability

We are Open and transparent in our communication and even when we are wrong we quickly take effective steps to correct errors or defects and we hold our staff members accountable.

Pursuit of Excellence

We take a consistent and diligent, timely and detailed approach to workmanship in all projects and dealings and we are open to possibilities and remaining flexible through continuous learning, coaching and mentoring.

MMDH VALUES & OBJECTIVES

Mindfulness: We approach each project with careful consideration and attention to detail.

Meticulousness: We pride ourselves on thoroughness and precision in all our work.

Diversity: We embrace diverse perspectives and backgrounds, fostering an inclusive environment.

Honesty: We conduct our business with integrity and transparency, building trust with our clients and partners.

Objectives

- To develop a highly professional and efficient service profile for ourselves and to be able to meet the needs of our clients by responding creatively to challenges and expectations.
- To build a business based in integrity, technical and professional competency.
- To exceed customer's expectations and provide superior, competitive service.
- To contribute towards addressing the needs of disadvantaged communities especially youth and women including people with disabilities.

OUR SERVICES

As MM Dlambili Holdings We take pride in our highly experienced team of professionals, each bringing many years of expertise to the table. While our primary focus is on projects in Mpumalanga, we welcome opportunities across all of South Africa. Here our top service categories:

- Construction and Infrastructure Services
- Mining Services
- Design and maintenance service
- Environmental and Maintenance Services

CONSTRUCTION SERVICES

CONSTRUCTION AND INFRASTRUCTURE

- General Building (for all commercial, industrial, civic, and residential developments)
- Civil Works (including roads, parking, storm water, fire water, and sewer bulk infrastructure)
- Fencing (material supply and installation - types of fence done: diamond, barb wire, Clearvu, razor mesh, coil, etc.)

MINING SERVICES

OUR MINING SERVICES INCLUDES

- Surface Contract Mining (e.g. crushing, screening, loading, hauling, stripping topsoil, rehabilitation, plant hire services)
- Underground Contract Mining (e.g. loading, hauling, support services)
- Miscellaneous Mining Services (e.g. service pipes, conveyor belts, cleaning services)

PROJECT DESIGN SERVICES

DESIGN AND MANAGEMENT

Project Management

Our project management services ensure efficient planning, execution, and completion of projects, maintaining timelines and budgets while managing risks.

Architecture and Engineering

Our architecture and engineering services provide sustainable design solutions, from conceptual design to detailed construction documentation. We integrate structural, mechanical, electrical, and plumbing systems to create functional and aesthetically pleasing buildings.

PROJECT DESIGN SERVICES

- Horticulture Maintenance and Grass Cutting
- Landscaping (planting trees, shrubs, ground covers)

OUR TEAM MANAGING DIRECTORS

MILTON V MASILELA

Mr Masilela has 12 years of power, construction (civil works and fencing projects) and mining industry experience gained mainly in new constructed power station (kusile) and underground coal mining. Exposure includes coal, power station construction, new shaft mining construction and civil construction projects. Major Contracts awarded; Topsoil Removal & Rehabilitation, Cleaning & Gardening services and Civil & Fencing projects.

Worked on both owner and contractor mining models, and participated in mine start-ups. Solid skills in mine production and capital projects. External stakeholder engagement experience includes communities, private sectors, lobby groups, consultants and regulatory authorities. Tenacious mining professional, who thrives on challenges, values teamwork, and possesses good communication, interpersonal, and presentation skills. A self-motivated individual, with the ability to excel in a fast-paced environment, manage competing priorities, and adapt to new challenges.

OUR TEAM MANAGING DIRECTORS

MARIA N NTULI

Maria N Ntuli has an experience as an Administrator, assistant in mechanical engineering field and technical planner with over 5 years of experience in the field, specifically in mining and power utility industry. She has a proven track record of successfully managing complex projects and developing strategies to maximize efficiency and productivity.

She is believed to be an expert in organizational development and has a deep understanding of the latest trends and technology in the industry. She has level 4 and N4 in fitter engineering, currently embarking in studying Bachelor of Science in Business Administration.
